This contract outlines the conditions that must be observed while occupying the band locker rooms. Please go over together and sign the bottom to use the room for the year.

- All students will receive a school issued lock for the locker. This ensures the safety of all items in the lockers as the rooms are used throughout the day by various classes, including guitar.
- Student may not "Dummy Lock" their locker. This is where the lock is locked on the locker without actually securing their items in avoidance of submitting the locker code. These locks will be opened and locked backward and documented as not in compliance.
- No food, beverages, marching clothing, shoes, or non-band items may be stored in the band lockers. If found during checks, lockers will be documented as out of compliance.
- Students may not write on, place stickers, mark or deface the lockers in anyway. If so, school vandalism policies will be followed including consequences and a fine may be placed on their account for professional cleaning.
- Lockers will have a names of members using on them to easily identify used verse unused lockers.
- Students may not use unassigned lockers for any reason.
- Instruments in locker rooms must be in an assigned locker unless otherwise approved by Broderick.
- Locker Room Chairs will do a minimum of 2 random checks a month. Lockers not in compliance will be locked backwards as an inconvenience as the first and second warnings and documented. Students that receive 3 or more warnings will lose use and privilege of storing their instrument in the band room and will be required to carry materials back and forth to school daily.

*By signing this contract, I understand that I must follow these expectations to use the lockers in the band room. Use of the lockers is a privilege, not a right. I understand that if I am found out of compliance with these expectations three times, I will lose that privilege and be responsible for transporting my band equipment daily to and from classes and school.*
