

## ABOUT THE BAND BOOSTERS

Boulder Creek High School Band Boosters is soliciting support for financial assistance which is needed to provide band and guard opportunities to all students at Boulder Creek High School.

The Boulder Creek Band Boosters help bridge the gap between what the school district can provide and what is needed to support the best quality experience for the largest number of students.

The opportunity to participate in the band and guard programs is available to all dedicated and hard working students and no student will be denied this opportunity simply due to lack of resources or equipment.

The Boulder Creek Band Boosters support these programs and will work toward the common goal to further the success of all band and guard students at Boulder Creek High School.
